WORKMAN ASSAULTED AND ROBBED

Saturday night Mike Nora, a laborer on the dam above the city, while going home was assaulted by an unknown negro, who cut him about the head and body. Nora was brought to this city and lodged in jail, where he received the proper medical services. This is the first hold up of the men that work on the dam, and the officers should nip the future ones in the bud by breaking up the gang that hangs about Hall's brick yards, waiting for freight trains. It is said that Nora was relieved of a considerable sum of money.

CUTTING SCAPE.

Sunday morning Maddox avenue was the scene of a cutting scrape, Louis Payne and John Randolph, being the participants. The result of their fun was that Payne was lodged in Hotel De Eitel, and the doctor services were needed for Randolph. There will be an a full airing of the affair before Judge Whitaker this afternoon.

TRAVELING IN YACHT.

Mr. W. H. Miller and wife, of Bristol, Tenn., arrived in Maysville, Saturday morning from Huntington, W. Va., via the Ohio River, in their beautiful motor yacht. They were bound for Mammoth Cave, and expect to reach there next week. Mr. Miller was a pleasant caller at this office, and is a very genial gentleman.

LOVING COUPLE.

Saturday night the people of Second street were very much amused by the antics of a young couple, who were hugging and kissing each other at every opportunity.

POLICE COURT.

Judge Whitaker, presiding in the police court Saturday taxed James Corcoran, \$15.50 for breach of the peace. In default of which he was placed in jail.

NEWS NOTES

From Dam No. 33, Which is Now a Great Industrial Camp

Over 100 men worked on the dam Sunday and later more will be added.

Saturday was pay day at the dam, and much of the money was spent in Maysville.

A blacksmith's shop employing 5 men is used at the dam turning out the iron work.

There is a dredge boat and 3 derrick boats at the dam engaged in filling the coffer-dam.

Mr. Ernest Waldman, of Boston, has arrived at the dam to take up his duty as chief night foreman.

A saw mill, fully equipped, is running overtime sawing lumber for construction work on the dam site.

Mr. Harry Miller and Mr. Wayne McBain, who have been working on the dam, have been transferred to Metropolitan, Ind.

Mr. B. B. Klusey, of the Bates Rogers Construction Company, arrived Sunday from Ashland to take charge of some of the work on the dam here.

The electric lighting system for the dam will arrive some time soon, and will be installed upon the arrival. This will give the dam light to work by at night, and power to run the air compressors for drill work.

Work on the cofferdam is going on rapidly; this cofferdam will be 1,000-600 feet, and will hold the lock chambers, it will be pumped dry so the cement work can be done. To pump and keep this dry will require eight pumping engines.

Work on Lock dam 33, is progressing nicely, and soon the result of the labor will show up plainly. As in all large works it is difficult to see the initial work so it is with the dam, but now results can be seen, and in a few days the eyes of the public will be opened to the gigantic task before the contractors.

Mr. H. S. Howland, left Sunday afternoon, on a business trip East in the interest of the Ohio Valley Pulley Works.

BOONE HIGHWAY MEETING

Residents of Mason County Will Meet at Mayslick Wednesday Afternoon

Much interest is being manifested in the Dixie-Boone Highway in this county and those interested are cordially invited to attend a meeting of Mason county citizens to be held at the Bank of Mayslick, on next Wednesday afternoon, April 28, at 2:30 o'clock.

Three or four automobiles will leave here on that day in ample time for the meeting.

Speeches are to be made by several prominent speakers, and plans devised to push Mason county's claims as to why the Dixie-Boone Highway should pass through Mason county.

The promoters of this move in this county are Mr. A. M. Casey, Squire Ed Fullock, Judge W. H. Rice and many others.

Another public meeting will be held in the interest of this project in Maysville on Saturday, May 1, at 2 o'clock p. m., in the Court House.

Let everybody come and lend encouragement to those having the matter in charge by their presence. Ladies are especially invited. Remember the dates and be present.

R. F. GAITHER HONORED

Minerva Teacher Elected Vice President of K. E. A., at Louisville Convention.

Louisville, April 24.—The Kentucky Educational Association today elected the following officers:

President—T. J. Vinson, Louisville.

First Vice President—R. F. Gaither, Minerva.

Second Vice President—T. Sanford Williams, Augusta.

Third Vice President—Miss Ella D. Shanty, Washington county.

Secretary—R. E. Williams, Louisville.

Treasurer—Miss Lida E. Gardner, Nicholas county.

Reuben Post Halleck, well known Louisville psychologist, was the principal speaker at Friday's session, discussing the subject "Some Things and What Twentieth Century Expects of Teachers."

According to Prof. Halleck, the majority of Kentucky educational voters are men with fifth-grade educations and consequently the state has fifth-grade government.

At the Armory this afternoon a children's chorus composed of 5,000 pupils of the public schools, wearing red, white and blue caps, were put through a series of drills. A great American flag was formed in the closing exercises.

Prof. Gaither the new Vice President is now assistant to Principal Caldwell, in the Minerva Consolidated High school, and last session he had charge of the Mayslick Consolidated High school. He is a first class educator, and a splendid Christian gentleman.

BASE BALL.

Manager Dresel had the boys out Sunday afternoon for practice, and has selected the following players for the club:

Frost, McDonald, Rudy, W. Dresel, H. Dice, W. Jacobs, Joe "Red" Meyers, Duley, Smith, Wilson, Grimes, L. Dresel, F. Jacobs and Dora.

The boys show that they are willing to give Maysville some base ball on Sundays and Holidays, as they are out practicing every afternoon.

New uniforms will be ordered Tuesday and they will start Sunday, May 2, with some strong amateur club, out of Cincinnati, as Spaulding has agreed to send the best clubs. So when the boys start on May 2, show them that you appreciate base ball by giving them a large attendance.

Give them a boost as they are all home boys, and they are doing their part.

All the above mentioned players are requested to meet at Do Natzie Tuesday night at 7 o'clock sharp, so the order for uniforms can be sent in.

\$40 REALIZED AT FOREST AVENUE MEETING.

Socially and financially the Forest avenue P. T. A., entertainment was a success. Again, a large audience responded. It was regrettable that we were able to secure only part of the High School orchestra, because of other engagements, but their efforts were much appreciated. Miss Bona Fitzgerald's sweet singing again charmed us, and Miss Ruth Willett's readings were warmly praised.

In his pleasing style Mr. McClure auctioneer at Central, gave his assistance by selling the cakes and candies. Altogether about \$40 was realized.

Mr. C. H. Glascock, of Paducah, Ky., is in this city today on business.

ARE GRATEFUL TO AMERICAN PEOPLE.

London W. Bates, vice chairman of the Commission for Relief in Belgium, 71 Broadway, New York, has received a resolution of thanks to the Commission and to the Americans who have made donations to the people of Belgium drawn in the town hall of the city of Charleroi, Province of Hainaut, when a mass meeting was held recently. The meeting was held primarily to thank the Americans who have made donations as received in this province, which is located in the southeastern part of Belgium and suffered extreme hardships during the early part of the war. The entire province has received a total of 21,725 tons of food, 4,000 tons of which were being distributed there when the mass meeting was held.

The resolution, which is signed by Emile Devreux, Burgomaster of Charleroi and Director of the Provisioning Committee of the districts of Charleroi-Thuin, and by the Provisioning Manager, Max Rasquin, reads in part:

"If our country is a small territory, it, however, comprises a great many persons of staunch character who will show their gratitude to you and who will teach future generations what the honored representatives of the Great Republic of the United States did for us in the years 1914 and 1915.

"When peace will have caused all arms to be laid aside, when the vile war will have ceased to sow death in our homes, then the entire world will learn from certain and incontestable sources of all the benefits with which the Great Republic of the United States has overwhelmed small and unfortunate Belgium."

BIGGEST IN THE WORLD.

If the average Chicagoan were asked who was running the biggest food supply on earth he would probably name one of the great Chicago packing firms. If he thought a little further he might say the commissariat of the German or one of the other great armies now battling in Europe. But he would be mistaken.

However, the biggest food business in the world is an American institution. It was organized by eight Americans in London on October 22, 1914. It is feeding 7,000,000 people who would have no food today but for its work. Its helpers number tens of thousands. It has more than 60 ships. It operates hundreds of canal boats. It has its own flag, internationally recognized, and deals direct with great governments. It is handling millions of dollars at an expense of less than 2 per cent of the turnover. Yet it has no capital, and no income, except what it begs. It may be termed, in fact, the biggest beggary business as well as the biggest food business. You have probably guessed it by this time. It is the Commission for Relief in Belgium.

When the war is over there will be the finest possible subject for the ablest historian in the Commission's work. It is making—it has made—a record for humanity and this republic of which Americans can never cease to be proud.

The unveiling was made the occasion for interesting exercises in which Georgia state officials and several militia organizations took part.

OUR CITIZEN'S DEMAND

Fully Complied With—A Maysville Resident Furnished It.

There are few items which appear in this paper more important to Maysville people than the statement published below. In the first place, it is from a citizen of Maysville and can be thoroughly relied upon. In the second place it indisputably proves that Doan's Kidney Pills do their work thoroughly and not temporarily. Read this carefully:

Frederick Dresel, 1238 E. Second St., Maysville, Ky., says: "I was troubled with inflammation of the bladder and annoyance from my kidneys. The passages of the kidney secretions were irregular and I had a severe pain across the small of my back which interfered with my duties. When a friend advised me to try Doan's Kidney Pills, I got a box at Wood & Son's Drug Store. Since using them I have had no trouble. All I said about Doan's Kidney Pills before, still holds good."

Mr. Dresel is one of many Maysville people who have gratefully condensed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Dresel had—the remedy backed by home testimony, 50c all stores. Beautiful Home For Sale

Mr. and Mrs. Robert Dawson have placed with us for sale their new home on East Second street, in the Sixth Ward. This home is located on a large lot, 72x150 feet, and running back to Williams street. We will not make any attempt to describe this home in detail. It is built of pressed brick, with hardwood floors, basement under the entire house, slate roofing, hot water, furnace, gas all over the house, and in fact, is modern and complete throughout, and must be seen to be fully appreciated. This beautiful home has been admired by all who have seen it, and every Maysvillian is justly proud of such enterprising citizens, as the builders of this property. Mr. Dawson's health is such that his physician has advised him to spend his winters in the South, and for that reason he offers his home for sale at less than cost, \$6,500.

THE QUICK PASSING OF YOUTH.

In the April American Magazine David Grayson, writing his story "Hempfield," gives a wonderful account of Norton Carr, the young editor of a country newspaper. In the following passage he comments on Carr's youth and reflects on his own:

"Nort had jumped up, thrust hands deep into his pockets, and was tramping up and down the room shaking his mane like a young lion. I confess that for a moment I was tempted to laugh at him—and then suddenly I did not care at all to laugh. Something in the wild youth of him, the bold thoughts, stirred me to the depths. The magic of youth, waving its flag upon the hill of immortality. The fresh runner catching up the torch that has fallen from the slack hand of age! I have had my dreams, too, Nort. I dreamed once—"

"I dreamed once of seeing the very truth of things. As I worked alone in my fields, with the great world all open and beautiful around me, I said to myself, 'I will be simple, I will not dodge or prevaricate or excuse; I will see the whole of life!' I confess now with some sadness (and humor, too) that I have not mastered the wonders of this earth, nor seen the truth of it. . . . I heard a catbird singing in the bush, a friend stopped me by the roadside, there was a star in the far heavens—"

"And when I looked up I was old, and Truth was vanishing behind the hill. 'Something of all this I had in my thoughts as Nort talked to me; and it came to me, wistfully, that perhaps this burning youth might really have in him the genius to see the truth of things more clearly than I could, and tell it better than I could.'"

"Yes," I said, "if one could only see this Hempfield of ours as it really is, all the poetry of it, all the passion of it, all the dullness and mediocrity, all the tragedy of failure, all that is in the hearts and souls of these common people—what a thing it would be! How it would stir the world!"

Far be it from us to criticize the British Admiralty, but we should think it might not be a bad idea for John Bull to build a few submarines.

RICHMOND TO GREET THE GRAY.

Richmond, Va., April 26.—At this time next month the old capital of the Confederacy will be alive with Confederate veterans, sons of Confederate veterans, daughters of the Confederacy, memorial associations and distinguished guests from all parts of the country. The occasion will be the silver jubilee or twenty-fifth annual reunion of the United Confederate Veterans, together with the annual meetings of numerous affiliated organizations.

Realizing that, by the very force of nature, they will probably never again have the opportunity to entertain the soldiers of the "lost cause," the citizens of Richmond, around which city they fought for so many years, are bending every energy to make the approaching reunion an event long to be remembered.

The dates named for the annual gathering are June 1, 2 and 3, and every preparation is being made looking to the comfort and pleasure of the thousands of visitors who will be here on those days. Food in abundance and healthful lodgings are gratuitously awaiting the old soldiers. Varied amusements will be provided and the general executive committee, having in charge all arrangements, announce that no extortionate fees will be exacted from visitors by hotels and boarding houses.

President Wilson has signified his intention to be present on one day of the reunion if his official duties will permit. Invitations likewise have been accepted by the governors of fifteen states of the South. Other guests of the reunion will be the widows of famous Confederate leaders, Mrs. J. E. B. Stuart, Mrs. George Pickett, Mrs. Fitzhugh Lee, Mrs. A. P. Hill and Mrs. W. H. F. Lee.

DR. J. B. TAULBEE LOCATES IN LEXINGTON.

Dr. Taulbee was a former popular Maysville physician and is the father of Dr. W. H. Taulbee of this city.

Correspondence

SPRINGDALE.

Mr. George Smith of Plumville and Miss Maude Elliott of this place, were the contracting parties in a very pretty wedding at the Christian church parsonage in Maysville Wednesday, April 21, with Rev. Stahl as officiating minister.

Miss Mollie Elliott, sister of the bride made a most lovely bride's maid and Mr. Sam Rash, acted as best man.

A pleasant supper was served the wedding party at the home of the bridegroom, and the young people of the neighborhood did not forget to serenade them.

Miss Elliott is the beautiful and popular daughter of Mr. John E. Elliott, and her many friends are sorry to lose her from the community.

Rev. Wm. Jones, of Ludlow, Ky., State Sunday school worker, addressed the Sunday school at Bethany last Sunday morning, and spoke at the school house at 2 p. m.

Chas. Moore and daughter Miss Katherine, were shopping in Maysville Saturday.

Many sorrowing neighbors and friends attended the funeral of Mrs. Ella Wilson, Tuesday, April 20.

Mrs. Francis Gill of Reckerville was visiting relatives and friends here the last of the week.

Friends of Eunice T. Hood, who is in school at Berea, Ky., will be pained to hear that she is ill with the grippe.

AUSTIN'S WEEK TO JUBILATE.

Austin, Texas, April 26.—In gala attire and thronged with visitors, Austin today entered upon a week of festivities in honor of the city's seventy-fifth birthday and in celebration of the completion of the \$1,720,000 dam creating Lake Austin. The main feature of the celebration will be an historical pageant depicting the history and development of the city of Austin and the state of Texas.

AVIATION WEEK AT PARKS' HILL

Mr. Theodore Stockman, the daring aviator, with his 80 horse power Curtiss biplane, will give daily exhibitions, except Sunday.

SATURDAY, MAY 15, TO SATURDAY MAY 22, INCLUSIVE.

Take advantage of the low excursion rates and visit this lovely spot and see Stockman perform his daring feats. After the usual flights and other stunts, he will give a realistic exhibition of a mimic aerial bomb throwing, at tents and soldiers below, who try to bring down the air bird, and the headlong plunge of the aeroplane, in flames, to the earth below, is a most thrilling spectacle. Ask your railroad agent for low excursion rates.

WAR BOOMS CANNING INDUSTRY.

Seattle, Wash., April 24.—At daylight tomorrow the first whirr of the canning machinery for the season of 1915 will be heard in Alaska. Never before in the history of the industry has packing been started before the middle of July either on the Columbia river, Puget Sound or in the north. The exceptionally early start this year is due to the European war. In the past Germany has been almost the sole market for the product of the mild curing industry. With this market cut off by the war the packers have decided to can the biggest salmon, which heretofore have been used only by the mild curers. The result will be a considerable expansion of the canning industry and every canneryman in the north is looking forward to the best season on record.

PARIS SALOONS GO OUT MAY 1.

Paris, Ky.—At a meeting of the City Council fifteen saloon keepers asked for a renewal of their license until the mandate of the Court of Appeals in their recent decision on the local option case went into effect, in order to dispose of their stock on hand. May 1, will find Paris without a licensed saloon.

Dallas, Texas, April 26.—S. R. Trammell, former member of the Dallas police force, was arraigned today for his second trial on a charge of murdering Jesse Wright, a brother officer, last June. Trammell's first trial resulted in a hung jury.

El Hasa Temple, Ancient Arabic Order Nobles of the Mystic Shrine, of Ashland will hold a ceremonial session on Friday afternoon and night May 21, in the Masonic Temple. After the session a banquet is to be given at the First Christian church. El Hasa Temple has quite a number of members in this city who will probably attend.

Yes, Marie, to remove grease spots from your seersucker shirtwaist you might try some of that cleanser Judge Anderson has been using on Terre Haute.

Pittsburg, Pa., April 23.—With the stage of the local rivers the lowest in fifty years, 4,000,000 bushels of coal are being held here waiting a rise which will permit shipment South.

Mr. S. A. Shanklin and daughters Ellen, of Mayslick and Miss Alice Shanklin of Cincinnati are visiting Mrs. P. P. Parker of Third street in this city.

THE CHARM OF MOTHERHOOD

Enhanced By Perfect Physical Health.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

THIS IS THE MOST IMPORTANT ADVERTISEMENT I EVER CAUSED TO BE PUBLISHED. READ EVERY WORD—AND THEN MARVEL

On a personal visit to Mr. Henry Ford I broached the subject of a possible August 1st Rebate.

(The Ford Company announced last year—as you well remember—that if their total sales reached 300,000 cars between August 1, 1914, and August 1, 1915, each purchaser during that period would receive back a refund of \$40.00 to \$60.00.)

"Mr. Ford," I suggested, "Is there anything I can say to our people with regard to the Ford Motor Company's 300,000 car rebate plan?"

"We shall sell the 300,000," was the quiet reply—"and in 11 months, a full month ahead of August 1st!"

"Then a refund is practically assured?"

"Yes—harring the totally unexpected. We are 50,000 to 75,000 cars behind orders today. Factory and branches are sending out 1800 daily.

I then said to Mr. Ford: "If I could make a definite refund statement we would increase our local sales 25 cars."

You may say, "was Mr. Ford's deliberate and significant reply to this—"

"You may say that we shall pay back to each purchaser of a Ford car between August 1, 1914, and August 1, 1915, barring the unforeseen, the sum of \$50. You may say that I authorized you to make this statement!"

What can I add to the above? \$15,000,000 cash coming back to Ford owners. And to prospective Ford owners up to August 1, 1915, it actually means—

—Ford Touring Cars for \$400—less the \$50 rebate! Ford Runabouts for \$440—less the \$50 rebate! What is there left for me to say?

On Sunday afternoon Rev. James Dawson baptized seven inmates of the County Jail in that institution. It has been the custom of several of the churches of this city to hold religious services every Sunday afternoon in the jail for the benefit of those confined there, and yesterday those who had previously confessed Christ and wanted to be forgiven, were given the sacred sacrament.

There were 115 men in the Men's class and 95 women in the women's class at the Christian Sunday school.

There were four additions and two baptisms after the morning service at the Third Street M. E. church.

SERIOUSLY ILL.

Col. David Hechinger, dean of the gents furnishing business in Maysville, is seriously ill from an infected bunion, and was taken to the Jewish Hospital in Cincinnati this morning, where his ailment, which has troubled him for several years, will be given special treatment. His condition is quite serious, due to his advanced years. The Colonel will have reached his eightieth birthday in June, and has spent fifty-two years of his life in business in Maysville. May the genial "Colonel" soon recover and be at his wonted place of business is the wish of his legion of friends, in which The Ledger joins.

CINCINNATI'S MOST NOTED WOMAN HERE FRIDAY.

One of the most notable events in Maysville's educational circles for some time will be the appearance of Miss Anna Laws, of Cincinnati, at the meeting of the Woman's club at the Bk's hall, next Friday afternoon, at 2 o'clock. The address will be followed by a reception and tea.

Mrs. J. H. Murray and Master Marvin Dunn, are visiting in Lexington, this week.

Master Ernest Daulton, aged 12, and a native of this city, now residing with his parents, Mr. and Mrs. E. B. Daulton, in Cincinnati, is now chief soloist in Grace Episcopal church in Avondale. Master Daulton is one of the most remarkable boy sopranos Cincinnati ever had. In range, quality and lyric beauty, his voice is exceptional. It has been carefully trained by Mr. Edwin W. Glover, who is now constantly coaching him in repertoire.

Saturday a pretty young lady stepped into one of our leading drug stores and said "Kiss me, please."

The young man, who was waiting upon her, blushed a brilliant red, and said, "what?"

"Oh, please give me some chewing gum; that kind over there," she said.
